MEMORANDUM FOR: THE RECORD

SUBJECT: MKULTRA Subproject 70

1. The purpose of Subproject 70 is to initiate research work on the "K" (Knockout) Problem at the Department of Medicine, Neurology Division, Stanford University School of Medicine, San Francisco, California. — B

2. The scope of the research program is outlined in the attached research proposal. There exists within the Agency a continuing requirement from the Operating Divisions for a substance or substances that will render an individual or animal helpless and immobile, either consciously or unconsciously, until definite control measures can be instituted. It is envisioned that this program will supply some of the answers so sorely needed. — C

3. It is expected that [redacted] will monitor and direct and actively participate in this project as principal investigator from the Department of Medicine, Stanford University School of Medicine, where arrangements have been made for his appointment as an [redacted] — B — C

4. In view of the magnitude and scope of the project, it is felt that a two-year period is required for realization of some answers to this intricate and complex problem. Therefore, a two-year research proposal is attached. The cost of this program is estimated at $21,840.00 for the first year; $25,422.00 for the second year; for a total of $47,262.00. To this sum must be added $1,890.48 representing a four percent service charge to the [redacted] — B making the total amount for two years $49,152.48. The Foundation will function as cutout and cover for this grant. The cover title of the project is [redacted] — B and is presumably being supported by a research grant from the Foundation.

5. The total cost of the project for a period of two years will not exceed $49,152.48. Charges should be made against Allotment 7-2502-10-001.

6. The Foundation has requested the University to submit a summary accounting of monies received and to return any unexpended grant funds at the end of the project year.

7. Title to any permanent equipment purchased by funds granted the University shall be retained by them in lieu of higher overhead rates.

8. It was mutually agreed that documentation and accounting for travel expenses which are reimbursable by the University shall conform with the accepted practices of that institution.

9. The requirement for a six months' informal accounting on the part of the principal investigator is waived.

10. [redacted] C is cleared through TOP SECRET and is aware of the true purposes of the program. Also, he has agreed to comply with the requirements of the Memorandum of Agreement.
